MATTER 026 / INTERNAL REVIEW

# Orchard Lane Notice Review

**The record supports delivery. It does not yet establish that the recipient accepted the revised terms.**

This fictional matter note separates the available correspondence from the questions counsel must resolve. It contains no jurisdiction-specific legal conclusion.

| Date | Record | Significance |
| --- | --- | --- |
| 04 May | Notice dispatched | Delivery initiated |
| 06 May | Receipt acknowledged | Receipt only |
| 09 May | Dates discussed | Acceptance unresolved |

## Issue Presented

Which version of the terms accompanied the notice, and what evidence records the recipient's response? Review the document trail before drawing a conclusion.

## Record Gaps

The dispatch log identifies an attachment but does not preserve its hash. A reply refers to revised dates without identifying a signed amendment.

## Next Review

Obtain the original attachment and complete message headers. Keep the current chronology provisional until the underlying files are reconciled.
